**Indonesian Conference  
on Religion and Peace (ICRP)  
Report  
2019 – 2021**

# ICRP

The Indonesian Conference on Religion and Peace (ICRP) is a home for various religions and beliefs in Indonesia. The differences in Indonesia is a gift so that Indonesia can be a world role model for peace and tolerance.

Therefore, ICRP focus on young people so that the future leaders will have an inclusive and pluralist perspective which applied in small and larger scope.
