Its members consist of different religious faiths and traditions in the countries and other territories in Asia and the South Pacific. The APWoFN brings together the commitment of women's leaders to advance common actions towards peace.

The APWoFN operates in following the ACRP's vision and mission to advance common action among the world's religious communities for peace. The APWoFN functions in convening women's forums and other programs when deemed appropriate designed to promote the aims of the ACRP among women.

Since 2022, APWoFN has been working on three of its most urgent issues: anti-trafficking, climate change, and peacebuilding and reconciliation, as three main pillar projects of APWoFN.
